GENERAL SECRETARY 31 MAR. 1932 No. L.S.S.

Sir,

With reference to Government Order No. L.7284-94/M1.41-30-124, dated 9th March 1931 in respect of amending the Bye-Laws in force, for the regulation and inspection of bakeries - hotels etc. and providing for the insertion of a clause in regard to the production of periodical medical certificates, I have the honour to state that with a view to provide for the production of periodical medical certificates, in the case of persons employed in bakeries and aerated water factories in the K.G.F. area, the Board have resolved to - recommend that a new Article, to be numbered as 19(b) may be inserted after the existing Article 19, renumbering the same as Article 19(a) in the Rules framed for the management of Bakeries and Aerated Water Factories in the K.G.F. area, as noted in the margin.*

A copy of the Board's resolution is enclosed herein.

I request that you will be so good as to obtain sanction of the Government to the resolution of the Board and to issue a Notification inserting a new Article 19(b) as noted in the margin*, after the - existing Article 19, renumbering the same as Article 19(a), in the Rules framed for the management of Bakeries and Aerated Water Factories in the K.G.F. area sanctioned in Government Notification No. 6573-6 L.B. 61-16-19, dated 12th March 1912.

I have the honour to be
Sir
Your most obedient servant

6. (iii). Inclusion of a provision under the existing bye-laws for the management of bakeries and aerated water factories for the production of periodical Medical Certificates by employees in such concerns.

Resolution:-

xxx xxx xxx

(iii). With a view to provide for the production of periodical Medical certificates, in the case of persons employed in bakeries and aerated water factories, the Board recommend that a new article, to be numbered as 19(b) may be inserted after the existing Article 19.(renumbering the same as Article 19 (a),) as follows:-

"19(b). No person shall be employed in any bakery or aerated water factory, unless the person produces a Medical certificate from a ~~Medical Officer~~ person not below the rank of a Sub Assistant Surgeon to the effect that the said person is free from contagious, infectious or loathsome disease at the time of the first employment, such certificate being subject to renewal at the beginning of every official year before the 31st of July. The certificate shall be produced before the President or the Medical Officer of Health whenever it is required by them for purposes of inspection."

GENERAL SECRETARY 31 MAR 1932 No. L.S.G.

Sir,

With reference to Government Order No. L.7179-90/Ml.205-30-3, dated 6th March 1931 directing the Municipal Councils to take suitable action to amend the Bye-Laws in force for allowing the Sanitary - Engineer also to inspect eating houses and aerated water factories I have the honour to state that the K.G.F. Sanitary Board at their meeting held on 19th February 1932 have resolved that the words "the Sanitary Engineer" may be inserted after the words "The Health Officer" in Article No.14 and the words "and the Sanitary Engineer" after the words "though the Health Officer" in the second sentence in Article No.20 of the existing Bye-Laws for the management of Bakeries and Aerated Water Factories, so as to empower the Sanitary Engineer to inspect such places in the K.G.F. Sanitary Board area.

A copy of the Board's resolution is herein enclosed.

I request that you will be so good as to obtain sanction of the Government to the resolution of the Board and to issue a Notification inserting the words "Sanitary Engineer" in the places mentioned in the resolution in Articles 14 and 20 of the Bye-Laws framed for the management of Bakeries and Aerated Water Factories in the K.G.F. area sanctioned in Government ~~Order~~ Notification No. 6573 - L.B.61-10-10, dated 12th March 1912. The existing provision and the provision as it would read, after the proposed amendment are given in extenso,

P.T.O

THE KOLAR GOLD FIELD SANITARY BOARD.

Proceedings of the 4th Ordinary Meeting of the Kolar Gold Field Sanitary Board, for the year 1931-32, held on Friday the 19th February 1932 at 3-30 P.M., in the K.G.F. Sanitary Board Office at Champion Reefs.

Existing provision - Article No. 14. " The Health Officer, the Chief Sanitary Inspector and the Cirlce Sanitary Inspectors shall have free access to any licensed bakery or aerated water factory at any hour of the day or night for purpose of inspection and the first named officer shall have the power of condemning any provision or articles manufactured in the bakery or any drink in the aerated water factory, which he considers unfit for human consumption, and his decision in the case shall be considered final."

Provision as it would read, after the proposed amendment -

Article No. 14. " The Health Officer, the Sanitary Engineer, the Chief Sanitary Inspector and the Circle Sanitary Inspectors shall have free access to any licensed bakery or aerated water factory at any hour of the day or night for purpose of inspection and the first named officer shall have the power of condemning any provision or articles manufactured in the bakery or any drink in the aerated water factory, which he considers unfit for human consumption and his decision in the case shall be considered final. "

Existing provision - Article No. 20. "The bye-laws willapply equally to all bakeries and aerated water factories whether situated in the Government or theMining area comprising the Kolar Gold Fields. In the Mining area, the powers conferred on the Health Officer will be exercised by the Chief Medical Officer and his assistants, though the Health Officer will have the power of entry, for purpose of inspection, to any bakery or aerated water factory situated within the Mining area. These the Health Officer shall visit periodically. In case of his discovering any contravention of the above bye-laws he will have the right to take necessary action after consultation with the Chief Medical Officer."

Provision as it would read, after the proposed amendment -

Article No. 20. "The bye-laws will apply equally to all bakeries and aerated water factories whether situated in the Government or the Mining area comprising the Kolar Gold Fields. In the Mining area, the powers conferred on the Health Officer will be exercised by the Chief Medical Officer and his assistants, though the Health Officer and the Sanitary Engineer will have the power of entry, for purposes of inspection, to any bakery or aerated water factory situated within the Mining area. These the Health Officer shall visit periodically. In the case of his discovering any contravention of the above bye-laws he will have the right to take necessary action after consultation with the Chief Medical Officer."
